In the afternoon a big crowd turned out for DePauw-Earham football game. In the evening an overflowed was on hand for the Dads Day banquet.

Hester Jewett, president of the Dads Association, presided at the banquet. Janice Willis, secretary, from Linton and holder of the Association Scholarship, spoke to the student body; Richard Levke, DePauw scholar in Music School, Dr. Hiram L. Jome, spoke for the faculty, and M. C. Cooley of St. Joseph spoke for the organization, spoke for the

Following the dinner a capacity saw the final performance of Dads Day play "Craig's Wife." Visiting parents remained over to attend the Dads Day service at the DePauw Memorial church and Dr. Claude M. McClure, church pastor, spoke on "Why Men Need Religion." Ray Roof, DePauw student, appeared as soloist.

The Dads Day dinner was the largest banquet ever served in Greenville. A capacity crowd of 1,012 at Bowman gymnasium and an overflow crowd of 270 was served in dining room of Rector Hall. The banquet took place in the balcony of Bowman gym for the banquet program.

The way to a man's heart is through his stomach, how those visiting Dads must love DePauw! Mrs. M. Mills, director of residential halls, upon whose shoulders the responsibility of preparing food and serving this huge gathering, gave the following statistics:

Eighty turkeys, weighing a total of 200 pounds, gave up their lives to Dads might eat. About half from a turkey farm near Cloverdale and the remainder from a near Bloomington. Fifty gallons of cider went into cocktails.

Good health increases happiness, promotes the individual more efficient, promotes social well-being. Ill health is waste, it brings sorrow, drains energies, discourages ambitions, retards social progress. A nation is no stronger than its people. Health is vital to national defense, dangers within and without. Times of peace as well as war. Yet more than one-third of the Selective Service registrants have been rejected as unfit for general military service. Here is a challenge to the school and to society. Good schools render an invaluable service to the length of youth thru physical check-ups, health education, recreation and bodily development, prevention and control of communicable diseases, school lunches, consumer safety education, and healthful living.

A PROCLAMATION

BY HON W. D. JAMES, Mayor, City of Greencastle, Ind.

WHEREAS The President of the United States has designated the period commencing Armistice Day, November 11, 1941, continuing through Sunday, November 16, as a time for all persons throughout the Nation to give thought to their duties and responsibilities in the defense of our country, and, to become better informed of the many and vital phases of the defense program, and the opportunities which it offers for the participation of every individual in the defense of our priceless heritage of liberty and freedom of opportunity; and,

WHEREAS The Governor of our great State has issued a proclamation calling upon all citizens of our State to unite in the observance as requested by The President;

NOW, THEREFORE, I W. D. JAMES, Mayor of the City of Greencastle do hereby call upon all the citizens of our own city to pay heed to the proclamations of our President and our Governor; to set aside these days in our lives to consider well our duty to our Nation; to dedicate and consecrate ourselves to a greater and more sincere determination and participation in such activities as we may be called upon to serve in the future that we may present a united front in the troublesome days ahead and to support, more effectively on the home front our young manhood and young womanhood now so unselfishly serving our Nation in the armed forces. Likewise, in keeping with the request of those charged with the administration of civilian defense activities I call upon each and every one of our citizens to dedicate themselves to doing their daily tasks a little better, to extend our cooperation, each with the other, more fully and more willingly and to the preparation of our individual selves morally and physically that we shall be ready to meet the greater responsibilities likely to come to each of us.

IN WITNESS WHEREOF, I have set my hand and seal.

Sunday Hunting Proved Expensive

HIRAM A. PARKS, INDIANAPOLIS, FINED \$38 FOR HAVING TWO RABBITS

Hiram A. Parks, 40 years old, of 1360 Sheffield street, Indianapolis, tried, Sunday, to make Game Warden Victor Walter of Putnam county and Clifford Silveus of Montgomery county, believe that his hunting dog had caught the two rabbits which Parks was carrying, and that he himself, notwithstanding his hunting paraphernalia, was not hunting.

"Your dog must have fired the gun, then," said Warden Walter after he and Warden Silveus skinned the rabbits and found large-size shot in them. Parks, according to the wardens, wore a hunting coat, rubber boots, and carried a 12-ga. shot gun, besides having the hunting dog with him.

Parks was viewed by the conservation officers on a farm a mile or so south of Bainbridge. He ran, then turned and threatened them with his gun, the officers said, and in other ways displayed an anger with the officers that may have relieved his feelings but it cost him an additional \$19.

He was charged not only with hunting on Sunday but also with the possession of rabbits during the closed season. He was a day early with his hunting. If he had not acted foolishly with the officers, they said they would have let him off with the Sunday hunting charge only, which would have cost him only one \$19 fine, but under the circumstances they felt they should teach him a more severe lesson. He was fined on the two charges in Justice of the Peace Newgent's court, Sunday. He stayed his fine 90 days.

Hope For Final Action On Bill

NEUTRALITY ACT REVISION WOULD PERMIT ARMING MERCHANT SHIPS

WASHINGTON, Nov. 10.—(UP)—The administration hopes to complete congressional action this week—the 23rd anniversary of the World War armistice—on Neutrality Act revision which will permit armed American vessels to carry lend-lease cargoes through war zones to belligerent ports.

President Roosevelt receives from his legislative leaders today reports on the prospects of quick House action on the Senate-approved bill. Earlier estimates that the bill would pass the House by 75 to 100 votes have been revised downward to 50, and one administration House leader said he would be "satisfied with 30."

Chairman Sol Bloom, D., N. Y., of the House Foreign Affairs Committee will ask the House rules committee today for a rule permitting eight to 10 hours of floor debate.

But Congress will be in recess tomorrow—Armistice Day—and will not be able to start work on the bill until Wednesday.

Some leaders looked to an address by the President tomorrow to bolster their effort to obtain more votes. Mr. Roosevelt speaks during the Armistice Day ceremonies at the Tomb of

DEBRIS PROBED FOR ADDITIONAL WRECK VICTIMS

PENNSY PASSENGER TRAIN JUMPED TRACKS AT DUNKIRK, OHIO

12 PERSONS KNOWN DEAD

More Than 42 Injured When Train Left Rails At Speed Of 70 Miles An Hour

DUNKIRK, O., Nov. 10.—(UP)—Work crews clambered over a mass of twisted wreckage today, seeking additional victims in the derailment of a fast Pennsylvania passenger train in which at least 12 persons were killed when the flyer left the tracks while roaring through this central Ohio town at a speed of 70 miles an hour.

Coroner J. A. Mooney of Hardin county, said that 12 bodies had been removed and that he believed "there are more inside the cars." At least 42 persons were injured, four of them perhaps seriously.

The fast Chicago-New York train, "The Pennsylvanian" jumped the tracks almost directly in front of the small village depot as it sped through the night. The derailment occurred at 10:22 p. m. (EST).

The locomotive flopped on its side and skidded for about 100 feet. The first coach was cut cleanly in two and piled up ahead of the locomotive. Part of the train smashed into and demolished a nearby signal tower. Several cars were "telescoped" into one another and the others were left in crazy zig-zag positions along the right of way.

The train had eight coaches in all. A lounge car, a diner, and a combination baggage and smoking car also were smashed. The pullmans, although derailed, were comparatively little damaged.

The injured were taken first into this town's little station. Ambulances arrived quickly from the nearby towns of Findlay, Lima, and Bluffton and they were taken to hospitals there. None was critically hurt, though many had painful wounds. Included among them were two soldiers on leave from Chanute Field, Ill.

Volunteer workers aided railroad employees in extricating bodies and aiding injured trapped in their cars. A light snow was falling and flares were set around the wreckage to aid workers.

Many of the Pullman passengers were preparing to retire.

Guy Davis, 39, Arlington Heights, Ill., said he was playing cards in the lounge car, where there still were about 30 persons.

"There was a grinding of brakes and then chairs and furniture and people were thrown about the car," he said. "I jammed the cards in my pocket for some reason and ran for a corridor. Luckily, got out."

Lynn Mahan, Chicago, public relations officer of the American Locomotive Co., said he was thrown from his bed in a Pullman compartment. Uninjured, he dressed and climbed out of the car.

"The engineer was hitting it up at near top speed, it seemed," he said. "I had gone to bed. I noticed the car begin to sway; the whole train was trembling. I knew we were off the rails. It went about a hundred feet before it stopped."

Dies Here On Way To Florida

HEART ATTACK FATAL TO MICHIGAN WOMAN ON SUNDAY NIGHT

Stricken by heart trouble, Mrs. Lillian Bridges, of South Haven, Mich., died at the home of Mr. and Mrs. O. H. Kee, 206 Bloomington street, within half an hour after she, with her sister and niece, had stopped there Sunday evening to spend the night. The niece, Mrs. Mike Bridges, of South Haven, was taking Mrs. Bridges and Mrs. Ollie Davis, also of South Haven, the sister of Mrs. Bridges, to Florida for them to spend the winter there, and she herself was to return to her Michigan home. They had driven from South Haven since morning, Sunday, and were expecting to spend the night here and resume their trip south this morning. The body of Mrs. Bridges was taken to the Shannon Funeral home Sunday evening, and this morning, was taken to South Haven by an undertaker from that city, Mrs. Davis and the niece also returning there.

AMERICAN NAVY FIGHTING AXIS SAYS CHURCHILL

ASSERTS BRITAIN READY TO AID U. S. "WITHIN THE HOUR"

"NO PEACE WITH HITLER"

Prime Minister Declares Royal Air Force Now Equal To German Luftwaffe

LONDON, Nov. 10 (UP)—Prime Minister Winston Churchill declared today that a large part of the American Navy was in action against the Axis, that the Royal Air Force had achieved at least equality with the Luftwaffe and that Great Britain would come to the aid of the United States "within the hour" in event of war with Japan.

Churchill declared that the British empire would reject an expected Hitler "peace offensive" by which the "guilty men who have let hell loose upon the world" hope to escape with "their fleeting triumph and ill-gotten plunder" from the net which is now closing upon them.

The power of the democracies is constantly growing, Churchill said, "and it is practical proof for all who have eyes to see that the forces of freedom and democracy have not by any means reached the limit of their power."

Great Britain, he repeated in reference to predictions of an early "peace offensive" by Adolf Hitler, will "never enter into any negotiations with Hitler or with any party in Germany representing the Nazi regime."

The Prime Minister, speaking at a time when the Red army appeared to be holding on the blizzard-swept Eastern front, when the RAF was pressing a great winter offensive against Germany, and when a showdown appeared at hand in the Far East, said that:

1. Britain is now strong enough to "provide powerful naval forces and heavy ships" for action in the Pacific and Indian oceans.

2. The Royal Air Force is at least equal in size and numbers to the German Luftwaffe.

3. Even "the arch criminal himself, the Nazi ogre Hitler" has been frightened by the explosion of world anger over German execution of French hostages and Hitler's fear arises from an "appalling consciousness of personal insecurity."

4. The war "may soon spread to the remaining fourth of the globe."

5. Nazi firing parties are "busy every day in a dozen countries" of occupied Europe and "above all the Russians (in occupied areas) are being butchered by the thousands and tens of thousands."

TWO AUTOS DAMAGED; OCCUPANTS UNINJURED

Two '37 model Ford cars were in a mix-up this morning at the intersection of Franklin street and College avenue, which attracted attention of passers-by because of the position in which one of them was left by the collision. The car of Roscoe Hurst, assistant mechanic at the Indiana State Highway garage, which was being driven north as its driver was going to work, was hit on the side by a car driven by Eldon Brattain, of Madison township. Both cars received considerable damage, but the Hurst car was turned over onto its top and left leaning against a tree. Robert Lee Cox, also of Madison township, was riding with Brattain. None of the three men in the two cars was much hurt. The two cars were taken to garages for repairs, but the men did not require hospital treatment.

The Greencastle postoffice will be closed all day Tuesday, November 11th.

"The planting demonstrations should be of great value to anyone interested in landscape development," says the county agent, "since correct planting methods may be observed and an opportunity will be afforded for discussion of individual problems."

Mr. Hull points out that planting may be done at any time during the dormant season except when the ground is frozen and air temperatures are above freezing. The demonstrations will thus be of especial usefulness to the many families who have begun a development program since the initiation of the county project.

Tigers Swamp Quaker Eleven

OLD GOLD GRIDDEES CRUSH
EARLHAM, 32-0 IN LAST
HOME CONTEST

Appearing in their last home game of the season, Coach Gaumy Neal's DePauw football squad swamped Earlham, 32 to 0 at Blackstock stadium Saturday afternoon. The tilt with the Quakers from Richmond was witnessed by a large crowd as it was "Dad's Day" at the university. The Tigers piled up a 26 to 0 advantage in the first half and coasted during the third and fourth quarters.

Warren Brown set the stage for John Long's touchdown plunge with two brilliant dashes in the first quarter and Art Lavidge sparked the Tigers to touchdowns on marches of 35 and 72 yards early in the second quarter.

Lawrence Hanks and John Dewar climaxed the drives with short plunges and DePauw scored again before the end of the period when Bob Earhart ran 40 yards after

Agitating the Draperies

(By Jim Zeis, Sports Editor)

(Martinsville Reporter)

The Martinsville Artesians took it on the chin, 40 to 33, as they tangled with the scrapping Greencastle Cubs in the local gym Friday night. The locals trailed from the outset and were down at the half, 20 to 6.

Martinsville staged rally after rally in the second half but the margin was too great and the locals were never able to bridge the gap. The second quarter was the period that broke the Artesians. They went into the period trailing 6-3 but the Cubs opened up with a field goal barrage and quickly shot away to a 14-point lead.

Conrad started the second period with a fielder and Payton hit a free throw for the Artesians. It was at that point that the sky rockets went off. When the smoke cleared a few minutes later, Slavens had hit three times, Goodman twice and York once, Martinsville's only points in the meantime being a fielder by Knoy.

The half-time gun ended the basket barrage for the rampaging Cub but the damage was already done and Martinsville was on the shore side of a 20-6 count.

The run-away continued for a few moments as the third quarter opened with a free throw by York and a fielder by Bills.

In the third quarter, the invaders increased the lead to 23-6 before the locals were able to pull themselves together. From that point the Scotts made desperate but vain efforts to do the impossible but were still trailing by fourteen points—29 to 15—at the three-quarter mark.

In the final session the locals outscored their opponents 18 to 11 but the tilt ended with Greencastle still holding a satisfactory lead.

The Cubs, lacking in size, stuck to the Artesians like wet shirts, crowded them, and tied up their efforts to such an extent that the locals were frustrated in everything they attempted to do in the first half. By the time the Artesians got themselves together and began working as a team, the game was too far gone to save.

Goodman hit a fielder to open the final period. York fouled out and Grimes followed within a few minutes.

The Artesians took full advantage of these losses, Robinson hitting a fielder, Cramer marking up a free throw, and Champlin scoring from the field.

(Brazil Times)

Greencastle, reported to have a small team, fast as the proverbial greased lightning, defeated Martinsville, at the latter place, 40 to 33, Friday night.

BEES SURPRISE US

Russellville's 28 to 23 victory over Roachdale Friday night came somewhat of a surprise to us. We had figured the Hawks, with a veteran team, plenty of size, and playing on their home floor, would take the measure of the Bees. The Russellville boys evidently thought differently, for they invaded Roachdale and returned home with a 5-point win under their belt. This should be a warning to the rest of the Putnam county outfits.

Everybody reads The Banner.

Thanks to Principal Valentine of the Bainbridge high school, we received the box score of the Bainbridge-Dover game, but it was a little late for Saturday's edition, so it appears in our column today, as follows:

Bainbridge (42)	fg	ft	pf
R. Hendrich, f	0	3	2
C. Hendrich, f	4	1	1
Cooper, f	0	0	0

Copeland, c	0	0	0
Carr, g	2	1	0
Bowman, g	0	0	2
Schooler, g	0	0	2
Totals	9	12	15

We notice that Scobee, center, and Douglas, guard, chalked up 15 points each against Dover. Copeland, Dover guard, rang up 10 straight tosses from the charity stripe which is also mighty good shooting.

Mr. Valentine said that the Pointers missed their first seven chances from the foul line which could lose a lot of games for a lot of teams.

The Bainbridge second squad, composed of freshmen and sophomores, looked good in the curtain raiser, beating the Dover reserves, 26 to 19.
